

19. DEUTSCHER ORCHESTERTAG

30. UND 31. JANUAR 2022

Umweltforum Berlin // Auferstehungskirche

COLOGNE, OCTOBER 2021

BACK TO THE FUTURE - THE NEW NORMAL!

Dear Colleagues and Friends of the German Orchestra Day,

With this slogan, the Deutscher Orchestertag (German Orchestra Day) will be taking place at the Umweltforum in Berlin on 30th and 31st of January 2022, under the impact of the corona pandemic and its effect on concert life as well as the consequences we can draw and lessons we can learn for the future.

These include not only digital developments, new strategies, and Audience Development, but also questions about diversity, new power structures and ways in which people can interact with each other productively and free of fear in the artistic industry.

On the second day, orchestra management and musicians will once again, have the opportunity to exchange ideas and viewpoints with one another with the goal of creating new ideas for their workplace.

We cordially invite you to join us for the 19th Deutscher Orchestertag and at last, meet and talk with one another, face to face.

As in previous years, we are supported by our premium partner Mannheimer Versicherung with the SINFONIMA® AKADEMIE .

We look forward to seeing you!

Kind regards!
